A valued friend at Oxford, Mississippi, blessing coming to us as a direct result the rejoinder and the surrejoinder, and and convicted but two. of the individual liberty of man, and no for a week our columns would be disof the individual liberty of man, and no lor a week our construction one of our kind gifted with a well-figured with personal matter distasteful era, vice-president of the Cuban republic, and the conflict would terof the individual liberty of man, and no one of our kind gitted with a well-balanced mind but will admit her right to earn her bread at whatever she deems herself best fitted for, that she is entitled to the same recompense for it as men, and that it is better she should be fitted to work, and recompensed fairly for that work, than have only the option continued to her of becoming a blessing in matrimony, or, perhaps, a curse beyond. The devil always finds something for idle hands to do. But "Serratus" was not the only one at fault. Some of our lady correspondents, all of whom wrete with a great of the cuban reports that in England.he found the popular sentiment very favorable to they hegan, with the exception of resting under injurious charges. Our Oxford friend must excuse us for decilning to more they began, with the exception of resting under injurious charges. Our Oxford friend must excuse us for decilning to publish his personal advertisement. This is not the mission of modern journalism. Nor will we permit anonymous assults upon private character. Occasionally personal reflections upon private character are more object of the Cuban republic, and the conflict would term, vice-president of the Cuban republic, who arrived last evening from Havre reports that in England.he found the very favorable to liberty. In France he saw Gambetta, who is a great sympathizer with the case. He thinks the Spanish ministry at Madrid will pursue a passive policy on the Cuban question, and will do nothe out at Madrid will pursue a passive policy on the Cuban question, and will do nothe outset. Matrid to the public, and the conflict was wortly and sympathy by the jurors, and all felt that it was wortly deep pulsar sentiment very favorable to liberty. In France he saw Gambetta, who is a great sympathizer with the case. He hinks the Spanish ministry at Madrid will pursue a passive policy on the Cuban question, and will do nothe outset. He thinks the Spanish ministry at Madrid will pursue a passive policy on the Cuban question, a ents, all of whom wrote with a great upon private character are more objecdeal of forbearance and good humor, in an endeavor to defend their sex from the libels or attacks of their vigorous and in the open face of the world. The and even weakened their cause by assuming defensive attitude. They should have been content to deny that women as a class, are the equals of men for the reason that they have not until recently been called upon to engage in professions or handi-craft occupations in compelition with them, but, as they proved conclusively, where women do give

private character. The practice of opening newspapers to these assaults have the median produced any good results, in some cases shine conspicuously at in some cases shine conspicuously at in some cases shine conspicuously at in some cases shine engaged responsibility of his disclosures. The practice of practice of opening newspapers to these assaults have the great herd of men engaged results, and enough to the cand, as given by the old negligible.

The Assistant-Treasurer at Cincinnati not Confirmed.

WASHINGTON, March 27.—The nomination of R. B. Hays, as assistant-treasurer at Cincinnati, was not confirmed vesterday, although it is under of the cand, as given by the old negligible in the cand, as given by the old negligible.

WASHINGTON, March 27.—The nomination of R. B. Hays, as assistant-treasurer at Cincinnati, was not confirmed vesterday, although it is under of the cand, as given by the old negligible in cases. themselves to art, letters or mechanics, has never produced any good results, they are in no sense inferior unless, indeed, in cases where the but in some cases shine conspicuously author stood ready to assume the above the great herd of mcn engaged in like occupations. This being especially true as to women teachers, our city furnishing its quota, and our public ties have resplited; for it will be observed.

The disclosures, The first disclosures, The first bad effect has been to involve the editor instead of the contributor, and damaging lawseits and damaging enmities have resplited; for it will be observed. Senator Sherman assured several applications are constituted in the contributor, and damaging lawseits and damaging enmities have resplited; for it will be observed. schools fair example. And this may be ties have resulted; for it will be observed Senator Sherman assured several applischools fair example. And this may be said of them without prejudice to the gentlemen who are employed in that most honorable and arduous of callings, for we are entirely willing to believe that they are all "worthy and well his own reputation before the controller of a journal acts that there would be no appointment at present, he therefore did not desire the confirmation of General Hays, as it would have leoked like breaking faith with those to whom he had so expressed himself. The office can be filled during the recess, and it is that they are all "worthy and well his own reputation before the com-qualified" for their positions. But they are not before the public, only their sis-are not before the public, only their sisters, for whom we shall continue to ask, falsehood and slander. Let all who promptly confirmed when the senate phor through the blanket into its mouth until granted, the same compensation, desire to attack or assail be assured that again meets. they will be held accountable to the State, in the admirable school law recently passed by the legislature, wisely makes provisions to this effect, and we think our board of school visitors, who are certainly not wiser than the body from whom it holds its tenure of power, will exposed. An honest public man will find himself the stronger, because all his centred for central Railroad Accident.

NEW YORK March 27.—A special dispatch from Rock Mount, North Carolina, states that, yesterday morning, a broken rail on the Wilmington and Weldon railroad, threw a mail train off the track near Town Creek. The first and second-class cars were thrown down the embankment, injuring severely the conductor, express messenger and Macon, Miss., March 25, 1873.—Dr.

had considered no financial scheme or policy for the State, the APPEAL most innocently suggested the necessity for thorough financial reform as a condition precedent to public and private prosperity. Especially did the APPEAL insist that the left innocently did the APPEAL insist that the left innocently suggested the necessity for the State, when he will positively leave for home. The financial scheme or policy for the State, the APPEAL insist that the left innocently suggested the necessity for the source thorough financial scheme or policy for the State, the APPEAL insist in too many cases editors of the leading of gas men here last night, the eight out-pourings of disappointed envy and harred, without inquiring for the source ployers do not consent to that system.
